Also I would like to thank Sebastian Giesen, who recommened for

This prize. thank you for beautiful Text

And also Hajo Schiff, my family and my gallerist Miki'o Sato,  
my friends in Hamburg and all the other friends who are supporting  
me all the time.

I'm very Happy to be hear Art Karlsruhe.

Very beautiful space and nice atmosphere. very kind organize

Thank you very much.

In addition / I want to thank everything, I am connected with,  
for example nature. animals, plants, insects, mountins, riveres,  
books, words, and so on and so on.

I'm greatful that for being born in Japan with a rich diversity  
in nature. ダイバーシティ

In Japanese language there are 2145 different names for "wind".  
Also there are several hundred names for "rain"

To feel that we are part of nature and that everything is connected  
with each other.

I made a piece of Art work here Atrium, named "wind café"  
Please enjoy it, I want to drink german beer there.  
in my wind café.

Vielen Dank
